"WE BUILD THE LADDER BY WHICH WE RISE"

It seemed this time would never come,
But the day is here at last,
When we must face the future,
With memories of the past.

The beloved words of "Auld Lang Syne,"
Many voices sing,
"Good Luck, Good Health, To your Success,"
Other voices ring.

Our hands are clasped in parting,
Warm tears fill our eyes,
And each minute it gets harder,
To say those last good-byes.

But pleasant thoughts within our hearts
Will never die.
Instead, they will be cherished
As "We build the ladder by which we rise."

CLASS WILL

We, the Senior Class of 1958, of Gibsonburg High School, being at the present time of sound mind and body, and as nearly right in memory as possible after a steady diet of education for the past twelve or more years, realizing that our high school career is coming speedily to a close, do hereby make this our last will and testament, declaring void any statements made by us in the past few years.

WE, DONNA AHLE AND SUE HOUSE, do hereby will and bequeath all the good times we've had in our high school days, even though they usually ended up getting into trouble, to Diane Webel and Diane Richard hoping they have as much fun as we did.

I, BETTY BAUER, do hereby will and bequeath my ability to be engaged to a Penmberville guy to "Chevy" Jividen. It's simple to do "Chevy." Find the right guy, which you already have done, and make him fall for you.

THIS YOU CAN DEPEND ON...

In whatever line of endeavor you engage—business or industry, the professions, science—you will use *more* electricity to do *more* things easier, better, cheaper.

And this, too, you can depend on: business-managed, investor-owned electric companies like Toledo Edison will continue to plan and build ahead so you can LIVE BETTER, *ELECTRICALLY*.
